Sean LEE

Mobile Application Developer
Orlando

Summary

I always try to find the optimal way in every situation. The process is important, but what people actually care about is result, so the top priority is to finish regardless. Although I'm only an entry-level developer, I believe in myself that I will be the best in my field someday.

Experience

Republic of Korea Marine Corps
Combat Engineer
June 2017 - March 2019 (1 year 10 months)
Pohang, North Gyeongsang, South Korea
